NURTURE + STRENGTHEN + CONNECT OUR COMMUNITY

ISSUE #2 A SNAPSHOT OF 2018

# A Message from our Coordinator...

Good morning friends,

What an amazing beginning to our first year of working in the community as LIVEfree PROJECT! As I reflect over the year that has been I can hardly believe the ground that has been covered, the encounters, opportunities and the amazing people, families and community that we have meet and helped along the way. This year has seen the launching of many exciting programs in our local community of Newcastle and the surrounding suburbs.

We are so thankful for the new pathways and roads that have been carved out and the incredible opportunities we have had to love on our community and its resilient and courageous vulnerable people. We are finding friends and need in all kinds of places in our community. In the next few pages you will get a glimpse into the world of LIVEfree PROJECT and the amazing things that we got up to in 2018.

I would like to convey our thanks to you, our amazing sponsors and supporters who have contributed in so many ways to ensure that we are continuing to Nurture + Strengthen + Connect our community together!

The details big and small, all make up an amazing story that is the first year of LIVEfree PROJECT!
